3:05pm-3:30pm: Accessibility Session

Room 212, Professional Sciences Center

Norah Sinclair

AMAC Accessibility Solutions provides technology-based products, training, assessments, technical assistance, and compliance services to public and private entities that require assistance with supporting customers and employees with disabilities within the USG. This session will provide an orientation to the legal and practical issues surrounding accessibility and introduce methods to ensure your resources are accessible.

3:30pm-4:00pm: Q&A and Wrap-Up

Room 212, Professional Sciences Center

Note to all participants: Please bring your laptop or tablet, a copy of your proposal and any relevant attachments, and a list with links to any materials you are planning to use in your transformation.
